BREAK NEW GROUND

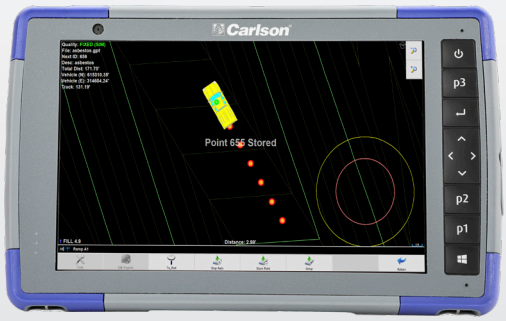

Carlson Grade Supervisor

Carlson Grade Supervisor is super simple to use and provides the following:

- Flexible user interface: can be as simple or as advanced as the user needs
- 3D volumes-anytime with PDF export reporting
- In-Cab, on-demand training movies
- Scalable upgrade path to machines; same user interface
- NTRIP compatibile with most networks
- Heartbeat Connectivity between machines & office
- Compatibility with Carlson's desktop design software: Survey/Civil, Takeoff, Mining, Construction

Carlson Grade Supervisor allows users to:

- Get real time cut/fill/on grade across entire project
- Collect/Stakeout/As-build points
- Direct import: .dwg, .dxf, TN3, GC3, LN3, TIN, GRD
- Handle large surface files up to 50MB
- Manage drawing layers
- Build pads: flat, single/dual/multi slope

Grade Supervisor supports legacy GPS receivers so you can maximize your previous investment

From initial site measurement to daily progress to as-built checks, Grade Supervisor is the right tool
